

# In an evacuation

## LOOK.

- Locate the nearest accessible exit — it may be an emergency door or window.
- Look around as you prepare to exit the transit vehicle or facility in order to avoid hazards, such as smoke, debris and unusual substances.
- Report any hazards or unusual substances to emergency personnel.
- Notice others who may need help and offer assistance. Children, the elderly and disabled individuals may require help from others during an evacuation.

## LISTEN.

- Pay attention to announcements.
- Listen and remain calm.
- Follow instructions from transit employees and emergency personnel.

## LEAVE.

- Move quickly toward safety, leaving behind large or unwieldy objects like suitcases, strollers and heavy items.
- If evacuation is not possible through normal doors, use emergency doors or windows to exit safely.
- Be on the lookout for hazards and people to help, and listen to transit employees and emergency personnel as you leave the area.

### Questions?

To learn more about what you can do to improve transit safety and security, visit us at [www.tcatbus.com](http://www.tcatbus.com) or call (607) 277-RIDE.

Let's count on each other for a safe ride
